

CYBER CITY ARCADE

Sponsorship Overview (All Ages • Community-Focused)

Our Mission

Cyber City Arcade blends esports, education, and community engagement to create a safe, structured, all-ages competitive gaming environment. We promote skill-building, teamwork, leadership, and responsible use of technology.

What Sponsorship Supports

- Skill-based esports tournaments and structured events
- Youth engagement and positive tech education initiatives
- Cyber City Radio (community content & original programming)
- Safe moderation, platform development, and equipment upgrades

Sponsor Benefits

- Brand placement inside the Cyber City Arcade app
- Logo visibility on tournament and leaderboard pages
- Mentions on Cyber City Radio and event recaps
- Social media recognition and event highlights
- Community impact visibility and youth support acknowledgment

Integrity & Transparency

Cyber City Arcade uses transparent tracking systems to maintain fairness in competitions. All tournaments are skill-based with clearly defined prize structures announced in advance. We do not use gambling or chance-based mechanics.
